PROFESSIONAL PROFILE

Passionate and results-driven Software Engineer and Cyber Security enthusiast with hands-on experience in building scalable web and cross-platform mobile applications using Flutter, the MERN stack, and Python. Proven ability to design intuitive UIs, implement secure backend integrations, and deliver end-to-end solutions across platforms. Adept at full-stack development, API integration, and mobile optimization. Currently contributing to real-world software projects while pursuing a BSc (Hons) in IT and Management at the University of Moratuwa.

WORK EXPERIENCE

Intern Software Engineer | AIT Services Australia

Internship

- Contributed to multiple client-focused mobile application projects as a Front-End Developer.
- Built the Shiftsmart Mobile App (Flutter + Azure) for real-time workforce shift management and scheduling.
- Developed the WaveScan QR Scanner App (React Native + WordPress) for real-time event ticket validation.
- Gained hands-on experience in Agile development, RESTful API integration, and end-to-end feature implementation.
- Contributed to mobile application testing, bug identification, UI/UX refinement, and performance validation.

KEY PROJECTS

Assistive CMS for Electronic Hobbyists — Gavesha Labs

Developing a comprehensive web application for electronic project enthusiasts, providing centralized access to standard information, project details, a blog feature, a shopping module, and a community forum.

Tech: MERN Stack, Figma, Firebase

Shiftsmart Mobile App — AIT Services — Australia

Contributed as a Front-End Mobile Developer, building a robust and responsive mobile app that streamlines workforce scheduling and shift management with real-time availability and tracking.

Tech: Flutter, Azure, Dart, REST APIs

WaveScan QR Scanner App — AIT Services — Australia

Worked as Front-End Developer on a mobile app for the Ticketwave platform, enabling seamless QR code scanning for event ticket validation integrated with a WordPress backend.

Tech: React Native, WordPress, JavaScript, REST APIs

E-Vote System — Individual Project

Developing a secure and user-friendly digital voting system featuring user authentication, multi-language support, and a seamless voting experience to ensure transparency and accessibility.

Tech: Flutter, Spring Boot, MySQL

Smart Door Lock with Face Recognition

Developing an intelligent door lock system using facial recognition for secure access control, with IoT capabilities for remote monitoring and access management.

Tech: OpenCV, Python, Raspberry Pi, IoT, Firebase

Packet Sniffer

Developed a packet sniffer to capture and analyze network traffic, enabling inspection of data transmitted across a network.

Tech: *Python, Scapy*

TECHNICAL SKILLS

Flutter	React Native	MERN Stack	Python	JavaScript	Dart
Firebase	Spring Boot	MySQL	HTML / CSS	PHP	C / C#
Figma	GIT	Azure	JMeter	OpenCV	REST APIs

EDUCATION

BSc (Hons) in Information Technology and Management

University of Moratuwa

2022 – 2026

CGPA: 3.35

GCE Advanced Level

Devi Balika Vidyalaya, Colombo 08

2012 – 2020

LEADERSHIP & ACTIVITIES

Editorial Pillar — Pillar Head | Fit Moment, University of Moratuwa

2023 – Present

- Contributing to the editorial team producing content for university events and initiatives.
- Collaborating with team members to ensure high-quality publications and communications.

Marketing Leader — Special Project Pillar | Moraspirit

2023 – 2025

- Served two consecutive terms as Marketing Leader; led strategic marketing for Epilogue 23 and Spitzer 2.0.
- Collaborated with cross-functional teams to ensure successful project execution and visibility.

Gold Award Holder & Leader | The Duke of Edinburgh International Awards

2017 – Present

- Active Gold Award holder promoting personal development, leadership, and community service.
- Led a team at Devi Balika Vidyalaya (2017–2019) in achieving leadership development goals.

SOFT SKILLS & LANGUAGES

Problem Solving • Leadership • Teamwork • Communication • Collaboration • Self-Learning • Punctuality

Languages: Sinhala (Native) • English (Proficient)
